

## **Middridge Meadows September 17th**

Very secure cl having lock on the gate for access by code.

Gordon was there to meet me and helped me site the van.

Lovely peaceful location with lovely views.

Nice get together on Friday evening and again on Saturday evening when we had a bbq.

Pleanty room on the field for quoits and boules.

Water and elsan were easily accessible.

Local village has excellent pub serving good food and tesco is under 2miles away.

I will definitely go again to this location.

Gordon and Dorri did fantastically well for their first rally Marshall stint.

Many thanks
